The Center for Collaborative Solutions Comprehensive Substitute Solutions
Accident/Exposure Incident Reporting Procedure

The Center for Collaborative Solutions Council of Governments is committed to the safety and health of our employees. In the event, however, that you are involved in an accident and/or suffer an injury while engaged in a job-related activity, you must perform the following steps:

1. **Seek prompt medical treatment or first aid** (even when the resulting injury appears minor). If you suspect possible exposure to blood borne pathogens, go immediately (within 24 hours) to TriHealth for evaluation/treatment. See additional information below.
2. **Immediately report the incident** to the following:
   a. CCS-COG Substitute Services Administator – Matt Wendeln at 513-674-4264 **AND**
   b. HCESC Human Resources – Rita Burke at 513-674-4242 **AND**
   c. The designated school district administrator.
3. **Complete and submit an Accident/Exposure Incident Report within 24 hours** of the incident
   a. You must "Save" a copy of this document before you fill it out!
   b. Complete all required fields.
   c. Print out the form, sign and date it.
   d. Fax to HCESC Human Resources – Rita Burke 513-674-4206. Keep a copy for your records.

If there has been a possible exposure to blood borne pathogens, immediate action is necessary. You should go to a TriHealth location within 24 hours of possible exposure for medical evaluation/treatment. All indicated treatment and follow-up will be provided by TriHealth. You may go to one of the following locations:

TriHealth Norwood	4592 Montgomery Rd.	731-3399
TriHealth Queensgate	1150 W 8th, Suite 120	241-4135
TriHealth Sharonville	3801 Hauck Rd.	563-1505
TriHealth Eastgate	4452 Eastgate Blvd	752-3695
TriHealth Arrow Springs	100 Arrow Springs Blvd.	282-7075
Good Samaritan Occupational Medicine Center	375 Dixmyth Avenue	872-2875

Human Resources will be in contact with you to oversee post-exposure and/or post-accident follow-up procedures.

The CCS-COG conducts investigations into all accidents and exposure incidents. Each investigation will be conducted in conjunction with the Substitute Services Administrator and may include on-site inspections, securing statements from witnesses, contact with medical providers and/or other investigatory measures as deemed appropriate for the specific incident.

NOTE: All medical records and those related to worker's compensation are kept separate from your personnel file and are considered confidential. No medical record or part of a medical record will be disclosed without the written consent of the employee or as required by law.

Exposure Control Plan:
The Center for Collaborative Solutions has an Exposure Control Plan for Blood borne Pathogens. This document is designed to protect our employees from possible infection caused by contact with blood borne pathogens as a result of performing job duties. It includes Universal Precautions and addresses the issue of Personal Protective Equipment. In addition, it serves as a resource for our staff in understanding the medical evaluation and follow-up procedure for a possible exposure to blood borne pathogens. Employees identified as working in a job classification with potential risk for occupational exposure have been provided with an overview of this document and may obtain their own copy upon request.

Worker's Compensation:
To initiate a Worker's Compensation Claim, call 1-888-247-7799 to report your injury and provide them with the CCS-COG's risk number – 39316160-0.
