

When you have multiple usernames that need to be merged together:

[Frontline - Sign In](#)

Steps to merge:

1. Select the drop down beside your name in the top right corner of the page, and click **Account Settings**
2. Next, select **Applications** in the side menu
3. Click the **merge your accounts** link to associate any additional accounts you use.
4. Enter the Username and Password for the additional Frontline ID account(s) you created, and click **Verify & Add Account**.
5. Once complete, you have the ability to switch between your applications while remaining signed in!
